Split Classes

1. Where there are more than 20 entries forward in a class, the judges may split the class into sections according to the circumstances on the day.
2. Each section must be marked and the top five ponies with the highest marks should go forward to a final judging. The marks are not to be displayed at this point and no rosettes awarded.
3. For the final judging the top ponies should be invited back into the ring and lined up in any order. No further show will be given.
4. The judges should then refer to their original marks. In the case of equality the pony with the highest show, freedom and action mark will be deemed the winner. If there still be equality at this point, then the judges' decision will be final.
5. The highest placed animal (not already qualified) from the first three in the final judging will qualify for Horse of the Year Show subject to verification of qualification from the Horse of the Year Show Office
